# Buyer & Seller Planning Guide

A practical resource for an informed conversation. Work at your own pace and verify the details that matter to you.

## If buying is on the horizon

☐ Identify household needs, timing and search priorities.

☐ Discuss financing options and total costs with a licensed lender.

☐ Plan how you will verify property details and evaluate homes.

## If selling is on the horizon

☐ Gather property information and clarify timing priorities.

☐ Discuss preparation, disclosures and a supported marketing strategy.

☐ Review potential terms, contingencies and closing steps with your advisers.

# Your planning notes

## If coordinating both

☐ Map the sequence of decisions and discuss contingency options.

☐ Verify financing, possession and contractual deadlines independently.

☐ Choose one clear next step and the professionals who can help you evaluate it.
